

STATE OF WISCONSIN
BEFORE THE VETERINARY EXAMINING BOARD

IN THE MATTER OF
THE INVESTIGATION OF

ANNAMARIE DITTMAR, D.V.M.,

Licensee

ORDER REINSTATING FULL LICENSURE

On September 29, 1999, the Veterinary Examining Board issued its Memorandum and Order on Settlement Conference. By the terms of that Order, Dr. Dittmar's license was limited to require that she be prohibited from engaging in orthopedic surgery until she successfully completed a course in orthopedics, including orthopedic radiology and pharmacology.

On July 31, 2002, the board considered evidence that Dr. Dittmar has satisfactorily completed the requirements of the board's Order. Accordingly, it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that all limitations on the license of Annamarie Dittmar, D.V.M., to practice veterinary medicine in Wisconsin are terminated, and Dr. Dittmar is reinstated to full licensure.

Dated this 2nd day of August, 2002.
