

STATE OF WISCONSIN
BEFORE THE VETERINARY EXAMINING BOARD

IN THE MATTER OF THE DISCIPLINARY :
PROCEEDINGS AGAINST :
 :
ELIZABETH A. NASAL, D.V.M. : ERRATA
RESPONDENT. : LS0906011VET

[Division of Enforcement Case #06 VET 021]

On September 11, 2009, the Veterinary Examining Board issued the Final Decision and Order in this matter. The procedural history recited therein did not include the facts that a formal disciplinary complaint had been filed in the case on June 1, 2009, or that the case had been assigned to Administrative Law Judge Jeffrey Boldt of the Division of Hearings and Appeals.

Because the procedural history did not include the fact of the formal complaint, the Department of Regulation and Licensing unnecessarily assigned a tracking number to the Final Decision and Order, based on the date of the Board's Order.

This matter is properly identified as LS 0906011 VET. The number assigned by the Department on the date of the Order, LS 0911115 VET, is withdrawn.
