PROCEDURAL HISTORY

The Department commenced this proceeding by filing a Complaint on September 12, 2014. Respondent, represented by Joseph M. Wirth, filed an Answer on September 30, 2014. Administrative Law Judge Jennifer Nashold presided over a prehearing conference on October 14, 2014.

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Veterinary Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Lynda L. Ludwig, D.V.M., (dob September 23, 1969) is licensed in the state of Wisconsin as a veterinarian, having license number 5165-50, first granted on July 31, 2000, and with registration current through December 14, 2015. Lynda L. Ludwig's most recent address on file with the Wisconsin Department of Safety

and Professional Services (Department) is W6880 Hilly Haven Lane, Phillips, Wisconsin 54555.

2. Respondent was previously reprimanded for practicing veterinary medicine without properly renewing her license from December 14, 2009, through April 2, 2010.

3 From November 8, 2010, through December 12, 2011, Respondent treated Patient A, an eleven year-old female chocolate Labrador retriever.

4. Patient A's owner and her husband decided to shift Patient A to the care of Dr. B, another veterinarian in the area. Patient A's owner requested that Respondent transfer the records and radiographs to Dr. B. Respondent's office faxed a set of records to Dr. B on December 20, 2011. Respondent supplemented her treatment records and narrative and, on December 23, 2011, Respondent met with the owner and provided her with the radiographs and the supplemented records for transfer to Dr. B, for his review and analysis.

5. The two sets of records Respondent sent to Dr. B differed; the second set of records included diagnoses and rationales that were not included in the first set. Only some of the late additions were specifically marked as late additions to the records.

6. In the course of the investigation of Respondent's care of Patient A, the Division of Legal Services and Compliance audited Respondent's compliance with the continuing education requirements for veterinarians. The audit demonstrated that Respondent had completed only nine of the required thirty credits of continuing veterinary education required in the license period December 15, 2009, through December 14, 2011.

7. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Wisconsin Veterinary Examining Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 453.07(2), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Lynda L. Ludwig, D.V.M., violated Wis. Admin. Code § VE 7.06(2) by failing to prominently note after-the-fact additions to her records of Patient A when Respondent transferred copies of the records to subsequent treating veterinarians and the Veterinary Examining Board.

3. By the conduct described in the Findings of Fact, Lynda L. Ludwig, D.V.M., violated Wis. Admin. Code § VE 10.02 by failing to complete at least 30 credits of continuing veterinary education during the period from December 15, 2009, through December 14, 2011.

4. As a result of the above violations, Lynda L. Ludwig, D.V.M., is subject to discipline pursuant to Wis. Stat. § 453.07(2).
