PROCEDURAL HISTORY

The Division of Legal Services and Compliance commenced this proceeding on July 17, 2015. Respondent Hedrick A. Wiley, D.V.M., by his attorney William Curran, filed an Answer on August 7, 2015. Administrative Law Judge Jennifer Nashold presided over a prehearing conference and issued a scheduling order on September 15, 2015.

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Veterinary Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Hedrick A. Wiley, D.V.M., (dob July 20, 1941) is licensed in the state of Wisconsin to practice veterinary medicine, having license number 950-50, first granted

on January 1, 1967 and current through December 14, 2015. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is N3367 County Road K, Mauston, Wisconsin 53948.

2. At all times relevant to this proceeding, Respondent was employed as a veterinarian at Mauston Veterinary Clinic, located in Mauston, Wisconsin.

3. On March 24, 2004, the Veterinary Examining Board issued Order LS0403247VET in Disciplinary Proceedings against Hedrick Wiley, D.V.M. The Order included a provision which read:

a. Effective April 24, 2004, Dr. Wiley may practice veterinary medicine in the state of Wisconsin only under the supervision of another veterinarian. "Supervision" in this context means on-site supervision." The supervising veterinarian must certify to the Board that he is willing to take responsibility for the quality of all veterinary care provided by the Respondent, including the correctness of all medication dosages. This certification must be received by the board prior to Dr. Wiley performing any further veterinary services."

4. From April 24, 2004, to May 6, 2014, Respondent routinely practiced veterinary medicine in Wisconsin in violation of the Order which limited his license to practice only under the on-site supervision of another veterinarian who certified to the Board that he accepted responsibility for the quality of all veterinary care provided by Respondent. Respondent contends that he secured supervision, but concedes that it was not certified.

5. Respondent has been the subject of disciplinary proceedings in relation to his treatment of four companion animals prior to this proceeding. The investigation that led to this proceeding was initiated by a consumer complaint about Respondent's treatment of a dog. In August 2015, the Department of Agriculture, Trade and Consumer Protection began the investigation of Respondent's treatment of a cat that had been hit by a car. Respondent has not been subject to any disciplinary proceeding arising out of his treatment of large animals. Respondent does not admit to any less than minimally acceptable veterinary medicine practices but chooses not to contest these proceedings.

6. In resolution of this matter, Respondent consents to the entry of the following Conclusions of Law and Order.

CONCLUSIONS OF LAW

1. The Wisconsin Veterinary Examining Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 89.07(2), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

2. By the conduct described in the Findings of Fact, Hedrick A. Wiley, D.V.M., engaged in unprofessional conduct as defined by Wis. Stat. § 89.07(1)(h), by practicing veterinary medicine in violation of the Board's Order of March 24, 2004.

3. As a result of the above violations, Hedrick A. Wiley, D.V.M., is subject to discipline pursuant to Wis. Stat. § 89.07(2)(a).
